THE SEVEN WONDERS OF THE WORLD: A MUSLIM PERSPECTIVE

1. The Ka'ba in the Sacred Masjid in Makkah al-Mukarramah in the direction of which Muslims pray to Allah ﷻ five times a day.
2. The Rawda (Garden of Paradise) of Prophet Muhammad ﷺ from his blessed grave to his pulpit in Masjid an-Nabawi in Madina al-Munawwarah from where spiritual light emanates.
3. Masjid al-Aqsa in al-Quds where the Prophet ﷺ led all the Prophets عليهم السلام in Prayer on the night of his Mi'raj (Heavenly Ascension).
4. The noble characters of the Awliya' Allah (Friends of Allah), each an encircling ocean of knowledge and good deeds.
5. The giant sufi masters, the mountains who anchor the earth and have been established as awtad (pegs, mainstays).
6. The breathtaking sunrise that breathes in the Kalima Shahada everyday and the awesome sunset that breathes out the Kalima Shahada.
7. The Northern Lights, one of the many dazzling creations of Allah ﷻ.
